

Name Your Dragon, Name Your Light Spread

There is something inside of you that radiates; it contributes to your life.

Occasionally your light is swallowed whole by your inner dragon; this is part of you that diminishes you in some way. What is it, and what does it diminish?

Pull a card for the dragon first, he is the eater, what is he attracted to?

Your Radiant
Aspect

Second, draw for your light. What are you hiding? What needs to shine?
